

*Hymn to Mt. Canigou* is a modest offering to a mystical mountain. This iconic peak in the eastern Pyrenees has drawn wanderers of all kinds for centuries. Legends still cling to it, of magic lakes, restless stones...even dragons. It is not a triumphant mountain like so many others, but a serene, watchful one. To climb it is a profound lesson in humility.

Level: intermediate; legato chords; melody and accompaniment in one hand.

Duration: ca. 2:40
